

## Lifting stati. Aqualift F XL 300l Duo, SPF 5500-S3, 2 shut-off valve

## **Article information**

Item no.: 11081 GTIN: 4026092057483 Price group: 50

## **Advantages**

- Different performance classes available
- Pressure sensor for reliable pneumatic level measurement
- Maximum operating reliability due to intelligent control unit (Duo)

## Description

The lifting station for faecal and faecal-free wastewater is equipped with one or two submersible pumps and a backflow preventer. The collection tank made of permanently resistant polymer (PE) offers universal connection options and has a screwed access cover.
